Declaration – Permeance

Sappi confirms that our products

Algro Design Advanced (ADA)
Algro Design Card (ADC)
Algro Design Duo (ADD)
Algro Design Nature (ADN)

meet the requirements of the DIN EN ISO 9706:2010-02 ‘Information and documentation – Paper for documents - Requirements for permeance’.

This declaration is restricted to Sappi paper products as delivered by us. It reflects Sappi's interpretation of applicable regulations, incorporating supplier information, third-party testing, and review of relevant requirements for compliance. While accurate at the time of publication, Sappi accepts no liability for subsequent changes to information, content, processes, regulatory or legal requirements included in this document.

This document is for informational purposes only and does not constitute legal advice. The end user is solely responsible for determining the product's suitability for specific applications. Sappi assumes no liability for misuse of its products, and this declaration does not guarantee fitness for a particular purpose.

Valid without a signature, this statement is effective for one year from publication unless replaced by a newer version. Reproduction or redistribution is prohibited without prior written consent.
